

Roseda Powerball23 Elite Online Female Sale

NOVEMBER 17, 2021

SALE TIME: 7:00 PM EST

On November 17, we will offer the first females to sell out of the Roseda program from Roseda Powerball23 F091, his dam, Roseda Blackcap B103 D118 and his granddam, Roseda Blackcap 0134 B103. This offering was selected off the top end and represents our genetic philosophy in terms of combining calving ease, high growth, and high marbling. Our lead off heifer, H320, has a combination of 192 YR EPD and 1.98 marbling EPD. There is nothing in the Angus breed even close to having her combination of growth and marbling. She brings an 11 CED to the table as well. Powerball23 has been well received with semen selling into 32 states and Australia. His progeny have sold well in early sales at TK Cattle Company, Graber Angus Farm and Express Angus Ranches.

TK Blackbird X504 - \$95,000 (half interest) • G A F Isabel 080-1457 - \$65,000 (half interest)
