

ROSEDA SPRING BULL SALE

MARCH 29, 2023 • 7:00 PM EDT

SELLING FALL LONG YEARLING AND SPRING YEARLING BULLS

These bulls represent our genetic philosophy in terms of combining calving ease, high growth, and high carcass merit in a functional maternal package. We are featuring six sons of the record selling Poss Deadwood. We invested early in Deadwood semen because of his combination of high marbling and top 1% genomic tenderness. Other sires include Roseda Powerball23, Roseda Chesapeake, SEO Ultra Provider, HPCA Veracious, RAR Revolution, GAR Transcendent and GAR Home Town. These bulls are eligible for our feeder calf buyback program.

We look forward to having you join us on March 29 either onsite or online. Please review the data below and contact us with any questions you may have. Pictures and videos will be posted on our website as they become available.
